

ANJALI THOLUDUR

Newbury Park, California | (805) 573-0173 | atholudur@ucsd.edu

EDUCATION

University of California, San Diego, La Jolla, CA June 2028
BS in Bioengineering: Bioengineering
Newbury Park High School, Newbury Park, CA June 2024
Awards: Valedictorian, Principal's Scholar-Athlete Award, IB Diploma Recipient

WORK EXPERIENCE

Institute of Engineering in Medicine (IEM), *Office & Communications Assistant*, La Jolla, CA since Jan. 2026

- Maintain and update website, ensuring accurate and up-to-date information and monitoring website analytics.
- Provide administrative support: scheduling meetings, maintaining records, and sending weekly reports
- Providing resources to researchers, faculty members, and students, such as sponsorships, scholarships, and awards

Private Tennis Coach, Thousand Oaks, CA Summer 2024

- Provided individualized training to help students qualify for their high school tennis teams
- Spread enthusiasm and passion for tennis

LEADERSHIP EXPERIENCE

Biomedical Engineering Society (BMES), *Social Committee Chair*, La Jolla, CA since June 2025

- Brainstorming, organizing, and executing various social events to build student community
- Designing marketing materials like flyers and brochures; managing Instagram outreach
- Communicating and collaborating with other organizations to plan joint social activities

Envision Arts and Engineering Maker Studio, *Volunteer*, La Jolla, CA Dec. 2024 - June 2025

- Became comfortable with design equipment (3D printers, laser and vinyl cutters, etc.)
- Assisted students in safely utilizing various Makerspace instruments

Ventura County Medical Explorer Post 911, *Chief*, Thousand Oaks, CA Apr. 2023 - June 2024

- Directed weekly meetings, training days, and community health events for 40+ members
- Taught CPR and Stop the Bleed to diverse audiences at health fairs and workshops

Tri-County GATE Council Grant Recipient, Ventura, CA Mar. 2022 – Mar. 2023

- Applied for and received 2 grants to organize and run STEM workshops
- Planned, budgeted, and executed Solar-Powered Robot building workshop for classmates (2022) & Wiggle Bot workshop for 2nd Grade ESL Students (2023)

PROJECT EXPERIENCE

BMES Project Team – Mechanical Heart Model Dec. 2024 – June 2025

- Modeled and 3D-printing multiple iterations of molds for a silicone aortic valve
- Prototyped rack-and-pinion mechanisms using Fusion 360, 3D printing, and laser cutting

Triton Droid's Robothon Competition – Humanoid Robot Foot May - June 2025

- Designed and fabricated humanoid foot with balance correction using DIB resources
- Strengthened skills in Onshape, 3D printing, soldering, rapid prototyping, and collaboration

SKILLS AND INTERESTS

- **Technical:** Rapid prototyping, iterative design, Fusion 360, Onshape, 3D printing, laser cutting, soldering
- **Interpersonal:** Leadership, teamwork, teaching, event coordination, public speaking, outreach, marketing
- **Media & Design:** Event marketing, Instagram management, poster design, video editing, photography (basic)
