Work Experience

UCSD Career Services

San Diego, California

Marketing Communications Intern

September 2023 - Current

- Spearheaded 10+ campaign strategies, aligning with diversity, equity, and inclusion initiatives to boost social media engagement levels with the UCSD undergraduate and graduate students; expanding the audience by 500+ people.
- Designed 100+ digital media content through the content management system (CMS) to create campaigns adhering to the brand guidelines and collaborated with 10+ stakeholders to formulate a timeline that improved operational efficiency by 30%.
- Developed and presented a research-driven marketing and human-centered design accessibility pitch deck, synthesizing 20+ best practices in graphic design to inform inclusive communication strategies for an audience of 200+ industry professionals.

Salesforce

San Francisco, California

Digital Marketing Associate Intern - Demand Generation

June 2025 - August 2025

- Designed 4+ interactive dashboard views to track event marketing performance, enhancing weekly reporting consistency and increasing team-wide visibility for 70+ Heroku marketers through documented Slack Canvases.
- Analyzed behavioral and conversion data across 10+ dashboards to surface funnel drop-offs and user friction points, informing 3 paid media experimentation strategies and optimization of messaging across 3 demand generation initiatives
- Executed the full migration of project management systems from Asana to Slack, replicating 30+ workflows used across internal teams and external agency partners, doubling task visibility and reducing reliance on multiple platforms.
- Participated with 30+ teams in Agentforce hackathon for developing an AI-powered lead qualification and onboarding strategy; scoped product requirements, built a prototype, and pitched the solution to Salesforce product leaders.

Gallagher

San Diego, California

Marketing Intern

May 2024 - May 2025

- Developed copy for content campaigns across 3 social media platforms, ensuring alignment with overall marketing strategy and brand messaging, resulting in a 20% increase in engagement and double the yearly KPI goals.
- Conducted market and competitor analysis using Sprout Social to identify 5+ content and positioning gaps, supporting 5+ data-driven decisions around audience targeting and campaign focus; contributing to improvements in engagement and reach.
- Utilized performance reports and KPIs to develop a deliverable of 30+ actionable insights across LinkedIn, YouTube, and Instagram to optimize content strategy for promoting accessible healthcare to California teachers.

Leadership & Activities

Triton Business Society

San Diego, California

VP of Recruitment

April 2024 - October 2024

- Directed five days of recruitment events for 300+ attendees, encompassing professional development workshops, alumni panels, and networking sessions with business professionals.
- Facilitated cross-functional collaboration among 6+ stakeholders to coordinate funding, student outreach, event permits, and marketing strategy

Lumnus Consulting

La Jolla, California

VP of Marketing, Project Manager

March 2023 - August 2024

- Led a team of 5 consultants to create 25+ marketing assets for an alumni-run start-up, and created a detailed marketing timeline that led to an increase in Instagram engagement by 46% within 3 months.
- Developed 3 well-rounded, research-based, go-to-market strategies using engagement data and KPIs after comprehensive market research, and pitched it to organization leaders.

Delta Sigma Pi

San Diego, California

Vice President of Community Service

January 2023 - March 2023

- Coordinated a community service event for 50+ attendees, managing supplies, location, and scheduling.
- Directed a beach cleanup at La Jolla Shores Beach with 5+ gallons of trash collected in under 3 hours.
