

ELLA YAO

9450 Gilman Dr. La Jolla CA, 92092
(+1) 858 625 1440 ◇ ellayao0920@outlook.com

EDUCATION

University of California, San Diego 09/2024 - 06/2028 (Expected)
B.S in Probability and Statistics, Minor in Computer Science
GPA: 3.97/4.00
Coursework: Numerical Analysis, Probability theory and statistical modeling, Python, Discrete Math and Graph Theory, Mathematical Reasoning, Linear Algebra, Applied Market Research, Macroeconomics

Experimental High School Attached to Beijing Normal University 09/2021 - 06/2024
GPA: 98/100; SAT: 1540

SKILLS

Programming/Tools	Python, Excel, R, MATLAB, Radiant, Sawtooth, SQL
Visualization/Design	Figma, Canva, PowerBI
Languages	English (fluent), Mandarin (native)

INTERNSHIPS

Xiaomi Technology 06/2025 - 09/2025
Treasury Management Intern

- Organized financial records for international operations to support credit and payment assessments
- Reconciled financial data across internal reports to identify discrepancies and improve reporting accuracy
- Helped maintain internal credit risk databases and verified partner information for compliance and accuracy
- Collaborated with team members on financial summaries and reports for decision-making

UC San Diego Library 11/2025 - Present
Circuit & Resource Sharing Assistant

- Independently created a SOP of daily paging and activating holds to reduce processing time by 30% and improve overall working efficiency
- Retrieved and prepared library materials requested by campus patrons and partner institutions through interlibrary loan systems
- Assisted with Integrated Library System data cleanup projects to improve catalog accuracy and user experience

PROJECTS

Applied Market Data Analytics Project 09/2025 - Present

- Developed idea of ShareBox, a food-sharing app aimed at reducing food waste and enabling users to share snacks
- Built a choice-based conjoint study in Sawtooth, estimated part-worth utilities, and conducted simulations to explore user preference patterns
- Applied cluster analysis in R and Radiant, performed recoding, normalization, and preprocessed survey responses to identify user preference segments

EXTRA-CURRICULAR ACTIVITIES

- **Breaking Bread Club Volunteer** 09/2024 - Present
Organized baking workshops for 20+ students and distributed bakery to support local food hub
- **Intergenerational Connections Club Volunteer** 09/2025 - Present
Collaborated with local senior livings to organize creative activities and promote healthy aging
- **KOTX (inclusive K-pop community) Dancer** 09/2024 - Present
Performed in quarterly dance showcase and spread Asian culture through the art of popular music
