La Jolla, California
Graduation Date: June 2029

WORK EXPERIENCE

Upsilon Family
Corporate Finance and Private Equity Analyst Intern

Kuala Lumpur, Malaysia
August 2025 - Present

- Supported live transactions by conducting comprehensive financial, operational, and market analyses of potential investment opportunities, while contributing to rigorous due diligence processes across multiple deal stages.
- Originated and cultivated both buy-side and sell-side deal flow through targeted client outreach initiatives, proactive market mapping, and strategic participation in key industry conferences and networking events.

PMI Technology
Data Analyst Intern

Shah Alam, Malaysia
June 2025 - July 2025

- Analyzed payroll data and built a Python algorithm to model bonus and increment scenarios based on employee KPIs, driving cost optimization and enabling managers to make strategic, data-driven compensation decisions.
- Automated output to Google Sheets and CSV files, enabling managers to review payroll breakdowns in spreadsheet applications and easily adjust bonus/increment multipliers to further assess cost efficiency.

Sunway CVC
Analyst Intern

Bandar Sunway, Malaysia
June 2024 - July 2024

- Evaluated 10+ FinTech, GenAI, and AgriTech startups, performing in-depth financial statement analysis, applying valuation methodologies, and presenting investment rationales totaling \$200M to drive strategic funding decisions.
- Led investor meetings with founders, synthesized findings into actionable recommendations, and earned invitation to join the investment committee to assess and advise on a live-pitched FinTech opportunity.

PRE-PROFESSIONAL EXPERIENCE

International Council of Malaysian Scholars (ICMS)
Executive Director of CPS, Lead Consultant of ICG

Kuala Lumpur, Malaysia
February 2025 - February 2026

- Led growth and operations across six chapters and a 150-member council, boosting engagement through mentorship programs, flagship events, annual dinners, and managing the “Beyond The Books” podcast.
- Directed consulting projects for Pandai Education Group and ICMS x SOCIAL Consulting Bootcamp, driving market entry strategies, conducting detailed competitive analysis, delivering actionable localized marketing recommendations, and securing high-value sponsorships while overseeing all data and cross-partner execution.

MYFinT: Malaysian Youth FinTech Association
Event Management Officer

Kuala Lumpur, Malaysia
January 2025 - January 2026

- Organized webinars with 70+ participants addressing key ASEAN FinTech gaps, and boosted participant engagement by 10% through targeted digital marketing campaigns and strategic promotion via social media channels.
- Appointed lead for upcoming Financial Literacy webinar, overseeing planning, outreach, and execution.

LEADERSHIP EXPERIENCE

DECA Club
Founder of the 1st Malaysian Chapter

Kuala Lumpur, Malaysia
August 2024 - June 2025

- Founded Malaysia’s first DECA chapter, building the organizational framework, mentoring 30+ students, and leading teams to national and international competitions while developing strategic problem-solving and leadership capabilities.
- Directed investment strategy sessions and produced the ECON101 podcast, performing in-depth economic and market analyses to inform decision-making and provide actionable insights for peers and stakeholders.

GISxTEDed Talks Club
Founder

Kuala Lumpur, Malaysia
August 2023 - June 2025

- Founded the first TED-Ed affiliated student-led CCA at Garden International School, successfully reaching full enrollment of 40 students, and coached participants in presentation, storytelling, and public speaking skills.
- Emceed the GISxTED-Ed Talks event for 80 attendees, collaborated with the marketing team to create promotional materials for the school website, Instagram, LinkedIn, and YouTube, and coordinated venue design, music, and lighting for a polished, professional event experience.
