

Kenzi Tang

Newport Beach, CA | 949-394-7471 | tangkenzi4@gmail.com

EDUCATION

UNIVERSITY OF CALIFORNIA, SAN DIEGO | GPA:4.0/4.0

La Jolla, CA

Artificial Intelligence Major

Expected Graduation June 2029

- **Key Coursework:** Math 18 Linear Algebra (A+), Math 20C Calculus & Analytic Geom. (A+), CSE 25 Intro to AI (A), CSE 12 Data Structures(A+), CSE 20(A) Discrete Math, CSE 29 and 21 Current

TECHNICAL SKILLS

- **Languages:** Python, Java
- **ML & Data:**PyTorch(Foundational), Data Preprocessing Scikit-Learn(Foundational), Data Wrangling/Masking Pandas(Foundational), NumPy(Foundational), Matplotlib.(Foundational)

TECHNICAL PROJECTS

Music Genre Classification | PyTorch & Scikit-Learn | Feb 2026

- Developed a 3-layer Deep Learning model in **PyTorch** to classify 8 music genres from the FMA dataset.
- Built a data pipeline using **Pandas** to process multi-index metadata and high-dimensional audio features.
- Implemented feature scaling (StandardScaler) and label encoding for multi-class target variables.
- Validated performance using **Confusion Matrices** and loss curves to monitor model performance.

EXPERIENCE

Hour of Code | Volunteer Teacher | May 2025

- Taught fundamental coding logic and block-based programming to elementary students.
- Simplified complex computational instructions into digestible lessons for beginners.

Harbor View Swim Team | Coach | Spring/Summer 2024-Ongoing

- Coached during the 5-8-year-old practices, communicated with parents on practice/meet schedule and goal setting for their children.
- Organized young swimmers into their proper heat and lane assignments during meets. Handed out dolphin dollars and jelly beans at the end of practice. Participated in team bonding events such as Lip Sync.

SKILLS & INTERESTS

- **Languages/Skills:** English, Japanese (Conversational)
- **Soft Skills:** Adaptable, Organized, Detailed Oriented
