Education

Shanghai Soong Ching Ling School | Shanghai, China | 2017 - 2022

Shanghai American School - Puxi Campus | Shanghai, China | 2022 - 2023

Palos Verdes Peninsula High School | Rolling Hills Estates, CA | 2023 - 2025 | Graduated June, 2025

University of California, San Diego | *BS in Cognitive Science: Machine Learning & Neural Computation* | *Minor in Linguistics* | Expected Graduation Date: June 2028

Leadership & Initiative Experience

Research Assistant, Bilingualism in Context Lab (Cognitive Science Department) | UC San Diego

- Facilitated bilingual linguistic experiments (English/Mandarin) for heritage speakers, utilizing PsychoPy and Audacity to execute high-fidelity 1-on-1 trials and audio recordings focused on code-switching capabilities and cognitive processing.
- Managed a centralized data lifecycle for a growing participant pool via Google Sheets and Zoom, meticulously tracked attendance, metadata, and qualitative identification to ensure seamless data handoffs for lab-wide transcription and visualization.

Eleanor Roosevelt College Student Council (SCERC) - RFAB Representative | UC San Diego

- Spearheaded advocacy for RIMAC facility upgrades by analyzing a 15% decline in student attendance, successfully securing high-demand equipment (leg curls/extensions) to drive campus engagement and overseeing critical budgetary votes for recreation funding.
- Orchestrated community-wide outreach initiatives, including a 100+ respondent survey to support the reopening of the Natatorium, while planning and executing social events for up to 120 attendees to strengthen the Eleanor Roosevelt College student community.

Student Council Representative | SCLS *Grade 9*

- Elected as one of six representatives from a student body of nearly 100, overcoming a Mandarin language barrier to campaign effectively.
- Managed crisis logistics during an unexpected 3-day campus lockdown, executing 10 round-trips to distribute essential supplies to 450 students and staff.

Board Member, Model United Nations | PVPHS *Grades 11, 12*

- Chaired a committee of 30 delegates, facilitating debate and guiding policy-making simulations that led to multiple "Best Delegate" awards at international conferences.
- Mentored middle school students weekly in public speaking and research, advancing to lead the volunteer program as a senior.
- Co-organizing two inter-school conferences, managing logistics for an expected 60+ delegates.

Founder & Program Lead, Electronic Music Program | SAS-Puxi *Grade 10*

- Spearheaded the school's first-ever electronic music concert, managing all logistics from promotion to execution for an audience of over 300.
- Launched a digital platform for student artists to publish their work on platforms like Spotify, creating a new channel for creative collaboration and distribution.

Professional & Community Development

Sales & Translation Specialist | Ulaanbaatar Biennale, Mongolia *Summer 2025*

- Generated ~\$2,000 in revenue over a 4-day event for 10 Japanese craftsmen by managing all client relations, negotiations, and transactions.
- Served as the sole Japanese-Mongolian translator during 10-hour shifts, enabling artisans from Kumamoto, Japan, to successfully enter and sell in the Mongolian market.

Teacher Assistant (AP Statistics & Psychology) | PVPHS *Grade 12*

- Selected by the department chair to support two AP classes; independently taught over a dozen lessons and provided 1-on-1 tutoring to struggling students.
- Coordinated with a team of TAs to grade assignments and streamline classroom operations, ensuring instructional continuity in the teacher's absence.
