San Jose, California | (408) 818-0672 | suhania@gmail.com | www.linkedin.com/in/anandsuhani

EDUCATION

University of California San Diego, La Jolla, CA June 2027
BS in Cognitive Science with a Specialization in Design and Interaction, GPA: 3.95
Relevant Coursework: Product Marketing and Management, Linear Algebra, Mathematical Reasoning
Activities: Product Management Club, Design Co, Undergraduate Investment Society, Camp Kesem
Nanodegree in Generative AI, Udacity June 2025 - Aug 2025
Skills: Python (Prompt Engineering, LLMs, Retrieval-Augmented Generation, OpenAI API, Data Scraping with Pandas)

TECHNICAL PROJECTS

Custom Current Events ChatBot | Python, Pandas, OpenAI API, Embeddings | *Udacity* July 2025
■ Cleaned and structured 2024 Wikipedia data using Pandas for semantic processing
■ Generated embeddings and implemented cosine similarity to retrieve relevant responses
■ Improved chatbot accuracy and knowledge using retrieval-augmented generation (RAG)

Fine-Tuning for Sequence Classification | Python, Hugging Face, Pytorch, PEFT, LoRA | *Udacity* June 2025
■ Evaluated GPT-2 on IMDB dataset for binary sentiment classification
■ Fine-tuned model with PEFT and LoRA to reduce compute requirements and increase training efficiency
■ Demonstrated measurable improvement in classification accuracy after fine-tuning

WORK EXPERIENCE

Product Manager, *Simply Luxe*, San Diego, CA January 2026 - Present
■ Led cross-functional team of 6 (engineering, design, marketing, business analysis) to build an AI-powered Chrome Extension scheduling assistant, owning end-to-end product lifecycle from product breakdown and requirements definition to client delivery
■ Designed rule-based scheduling system integrating Google Calendar data (availability, skill level, location, burnout constraints) to automate employee allocation and eliminate scheduling conflicts, reducing manual planning overhead

Key Account Manager, *Fresh Prints*, La Jolla, CA October 2025 - Present
■ Owned end-to-end sales cycle including outreach, client communication, and custom apparel design, generating \$25K+ in revenue within first 5 months while achieving a 90% lead-to-conversion rate
■ Coordinated cross-functional execution across design and logistics teams to manage order fulfillment and ensure on-time delivery across multiple accounts

Research Assistant, *Atkinson Behavioral Lab*, La Jolla, CA January 2025 - Present
■ Administered large-scale behavioral research studies in management and economics, guiding 300–400 participants weekly through experiments and surveys to ensure reliable insights
■ Collaborated with PhD researchers to optimize study protocols, streamlining data collection and reporting workflows

4x Elected VP of Student Engagement, *Student Council*, Saint Francis High School, CA Aug 2020 - May 2024
■ Executed 3 school-wide pep-rallies, 4 themed spirit weeks, and 2 dances per year, addressing competing priorities and resources across student-led teams
■ Increased campus-wide participation by 25% (from ~600 to ~750 attendees)

ADDITIONAL

■ Graphic design (Adobe Creative Suite): Created merchandise and apparel for student groups, philanthropic orgs, theatre productions, and choral ensembles (~700+ total wearers of original designs)
■ Data Organization (Excel, Figma, Notion): Built structured databases for schedules, four-year plans, and personal projects
■ Music Theory and Performance: Experienced vocal coach; Arrange songs into piano and vocal arrangements by ear; recognized with 5 awards for musical performance and leadership over 4 years
■ Music Production: Composed and produced harmonies and background vocals for Miti's EPs, *01100001* and *01111101*; featured on "Mine" and "Kisses to Fame" (total 14,591 Spotify streams)
