Sep 2025 – June 2029

B.S. Data Science GPA: 3.85

SKILLS

Languages: Python, Java

Libraries: NumPy, Matplotlib, pandas, babyPandas

Technologies: Git/GitHub, Jupyter Notebook, VS Code

EXPERIENCE

Mathnasium

Oct 2023 – Sep 2025

Math Tutor

Albany, CA

- Tutored students 1:1 and in small groups from arithmetic through calculus, applying Mathnasium methodologies to adapt explanations to different learning styles
- Identified knowledge gaps through diagnostic questioning and built personalized practice plans to strengthen foundational skills in pre-algebra, algebra, precalculus, and calculus
- Taught problem-solving strategies using visual models, algebraic steps, and conceptual reasoning to clarify difficult concepts
- Tracked student progress through assessments and adjusted instruction based on performance trends
- Provided homework help and exam prep, guiding students through problem-solving processes rather than giving direct answers

Albany Middle School – Cobra Tutoring Center

Jan 2021 – Jun 2025

Volunteer Tutor

Albany, CA

- Provided after-school academic support for middle school students across Math, English, Spanish, and other subjects.
- Guided students through homework, assignments, and projects by breaking tasks into manageable steps.
- Delivered individualized support tailored to each student's learning needs and pace.
- Contributed to improved grades and confidence; received positive feedback from parents and students regarding progress.
- Completed 200+ volunteer hours supporting student academic growth across multiple subjects

Creative Nepal Youth Organization (Nepali School)

Jan 2021 – Jun 2025

Volunteer Instructor and Curriculum Developer

Albany, CA

- Designed and taught structured lessons for students ages 4–14 using interactive, age-appropriate activities.
- Developed reusable curriculum materials to support consistency across instructors and classrooms.
- Helped scale program enrollment from 30 to 100+ students by improving instructional structure and organization.
- Co-led large classrooms alongside other instructors and created a inclusive learning environment
- Completed 300+ hours over the 4 years of contributing to the role
- Tracked student progress using spreadsheets to monitor attendance, assessments, and learning outcomes.
