- AP Calc BC, AP Stats, AP Lang, AP Chem, AP Phys C, AP CSA, AP CSP, AP Scholar with Honors, 7 Dual Enrollment Courses

EXPERIENCE

Vernian (Educational NPO) Co-founder & Chief Operations Officer

| Jan 2023 - Present

- Founded **501(c)3** non-profit organization to combat decline in youth advocacy, critical thinking, and innovation.
- Raised **\$10,000** for organizational mission through educational class offerings.
- Coordinated with community officials to reserve booths and event spaces across 10+ locations to organize events promoting youth participation in social entrepreneurship. Ensured **300+** students to sign up for our classes and events.

Pringles Robotics Project Management Intern

| June 2024 - July 2024

- Led Agile meetings as scrum master, conducting daily standups, and iteration kick-offs.
- Improved 3D chess sets production by **66%** by maintaining project files, spreadsheets, and reports for **8** initiatives.
- Managed supply chain operations including inventory checks and stock release form processing.

Bay Area Chess Operations Intern

| Jan 2024 - May 2025

- Coordinated logistics for 15+ state and national chess tournaments, managing venue setup, scheduling, and ceremonies.
- Implemented new business models, specifically a free chess tournament, as a customer magnet for future events.
- Customer Service: Provided exceptional service to participants, ensuring a positive experience throughout the tournament.

Berkeley Chess Head Coach

| Jan 2023 - May 2024

- Delivered chess instruction to students across various skill levels, teaching strategies, tactics, and game fundamentals.
- Developed comprehensive lesson plans, practice exercises, and illustrative game scenarios.
- Event Coordination: Directed practice tournaments and creative learning games towards the end of class.
