

Yosuke Pilette

619-705-9982 | pilette004@gmail.com

EDUCATION

University of California, San Diego (UCSD)—La Jolla, CA

B.S. Bioengineering (*Junior Standing*)

2025-Present

GPA: 3.9

University City High School—San Diego, CA

2021-2025

GPA: 4.0 (Unweighted)

HONORS AND AWARDS

- Regents Scholarship, University of California, San Diego (2025-present)

EXPERIENCE

Sanford Burnham Prebys Medical Discovery Institute—La Jolla, CA

Molecular Biology Research Assistant Intern

2023-2024

- Performed zebrafish embryo dissection, de-yolking, and tissue removal, followed by mounting samples on microscopy plates for fluorescence imaging for 50+ samples.
- Investigated Notch signaling pathways in zebrafish models to study developmental biology and disease mechanisms.
- Supported research related to Duchenne Muscular Dystrophy, including plasmid transformation and DNA extraction.
- Assisted in experimental setup, data collection, and microscopy imaging.

Engineers Without Borders at UC San Diego—La Jolla, CA

Project Team Member

2026

- Worked with team members to create a cabinet for families in Tijuana, learning woodwork and outreach skills.

Coldstone Creamery—San Diego, CA

Team Member

2024-2025

- Collaborated with team members to maintain efficiency and customer satisfaction.

TECHNICAL SKILLS

Molecular Biology: Fluorescence microscopy, gel electrophoresis, DNA extraction, plasmid transformation, petri dish streaking,

Laboratory: Zebrafish care, sample preparation, sterile technique

Languages: Japanese (fluent)
