WORK AND VOLUNTEER SERVICES

UI Designer/Software Developer

Data Science Student Society @ UCSD

September 2025 – Present

La Jolla, CA

- Board position @ UCSD's DS3, bridging the gap between software and Data Science with software development by creating pro-bono websites for other UCSD clubs and organizations.
- Utilized Figma to create drafts for site improvement, and collaborating with tools like GitHub, React.js, Notion, CSS, HTML, Node.js.

Committee Leader

Youth Activities Council

August 2021 – May 2025

San Mateo, CA

- Collaborated with 35+ peers to address city-wide issues through community programs and outreach.
- Promoted youth mental health awareness by creating flyers and organizing an inclusive event that encouraged relaxation, peer connection, and emotional well-being in high-pressure academic environments.

Middle College Yearbook, CO-Editor-in-Chief

College of San Mateo

August 2023 – May 2025

San Mateo, CA

- Utilized Canva to design multiple yearbook pages to highlight diverse student voices and memorable moments.
- Led a team of 12 through tight deadlines in the last weeks to successfully deliver a high-quality yearbook on time.

Tutor | 10 hours/week

Kumon

August 2024 – September 2025

Foster City, CA

- Managed classroom flow and students' needs, contributing to a productive work environment for 30+ students.
- Supported 10+ young English language learners by adapting instruction and communication styles to meet their individual needs, ensuring they felt comfortable and supported by maintaining enthusiasm and patience.

Peer Tutor

San Mateo High School

August 2022 – May 2023

San Mateo, CA

- Created custom practice problems on the spot to reinforce key topics, helping students strengthen their skills.
- Prepared 2 students for a math test they believed they would fail, significantly improving their scores by 20%.

Teacher Aide

Kids Connection Pre-School

June 2021 – August 2023

Foster City, CA

- Supported teachers with various classroom tasks, including organizing supplies, assisting with art activities, and disinfecting toys, helping reduce the teacher's workload and stress in a classroom full of children under 2.
- Earned strong praise from teachers for reliability and effectiveness, leading to invitations to return each summer.

Lunch Worker | 5 hours/week

College of San Mateo

August 2024 – May 2025

San Mateo, CA

- Adapted quickly to challenges, accommodating unexpected students and managing supplies to minimize waste.
- Maintained a clean serving area, following hygiene protocols that earned praise from the district food inspector.
