(669) 291-6131 | Email: tyzhu@ucsd.edu | www.linkedin.com/in/travis-zhu-a6140a2aa/

EDUCATION

University of California San Diego

Bachelor of Science in Data Science

GPA: 4.00/4.00

Relevant Coursework: Python, Pandas, R, Computer Programming

September 2025 – June 2029 (expected)

Saratoga High School

GPA: 4.51/3.92 | Scholar of Distinction for 2025

August 2021 – June 2025

STUDENT ORGANIZATIONS

DS3 (Data Science Student Society)

DS3 Board: Datahacks Team

September 2025 - June 2026

- Helped reach out to sponsors for DS3 hackathon, totaling over \$10,000 in sponsorships
- Created example projects and compiled data sets based on the theme of environmental awareness
- Secured 200+ student registrations for Datahacks through online and in person marketing

PROJECTS

Impactfulness of Defense Specialists on Winning in the NBA

January 2026 – Present

Eclipse Analytics

- Designed an ETL pipeline in Python using `nba_api`, `pandas`, and web scraping from basketball reference to aggregate multi-source defensive data and construct a refined dataset.
- Utilized K-Means Clustering and SimpleScaler to identify archetypes for defenders based on advanced defensive statistics.
- Applied statistical modeling and EDA to evaluate relationships between win shares and the best defenders.

VOLUNTEER EXPERIENCE

C'est Bon Music Academy

June 2024 – July 2024

Intern

- Managed logistics of the day and assisted staff in teaching students and engaged with them 1 on 1 to create an inclusive, friendly environment.
- Co-ran the official social media account to advertise the program through short-form content

Friends of Children with Special Needs

October 2022 – June 2025

Tutor

- Taught piano and music theory to three students with autism.
- Worked to explain topics clearly by adapting lessons and explanations to each student's unique personality.
- Prepared each student for solo stage performances.

LEADERSHIP EXPERIENCE

Marching Band

August 2023 – June 2025

Section Leader

Cupertino, CA

- Led the saxophone section in rehearsals, sectionals, and competitions to ensure top performance quality.
- Reached out to incoming freshmen to welcome them to the band and build community.
- Worked individually with members to strengthen visual marching technique and musical skills.

Distributive Education Clubs of America

August 2024 – June 2025

Co-President

- Co-founded the club to create an opportunity for students to learn about business at Saratoga High School.
- Developed weekly lessons and seminars, along with inviting guest speakers from local businesses and larger companies.
- Expanded membership to over 40 members by the end of the school year.
