EDUCATION

University of California San Diego

Sept 2024 - March 2027

B.S in Cognitive Science, Specialization in Human-Computer Interaction, Minor in Business Analytics

TECHNICAL SKILLS

- **Languages:** Java, Python, CSS/HTML, Javascript
- **Toolstack:** Microsoft Excel, Blender, Unity, Figma, Adobe Suites, Canva
- **Coursework:** Data Structures and Algorithms, Data Science in Practice, Interaction Design, Advanced Java

EXPERIENCE

Computer Vision Researcher • Talmo Lab at the Salk Institute

June 2025 - August 2025

- Implemented a real-time 3D pose estimation pipeline with SLEAP3D, integrating video capture, model inference, calibration and rendering
- Automated workflows for frame preprocessing and data handling, improving reliability and debugging efficiency
- Delivered working prototype, providing good foundation for real-time 3D pose estimation development in SLEAP-3D

Project Manager • Triton XR

April 2025 - Present

- Leading a cross-functional team in developing a battle dungeon VR game
- Supporting team members with technical guidance, assisting in Unity and VR development
- Overseeing timelines, task delegation, and documentation while supporting team growth and maintaining clear communication channels

VR Developer • MAVERiC Studio

March 2025 - June 2025

- Leading the world-building and level design for a VR simulation game exploring various career paths
- Developing interactive game mechanics for one job path using Unity and C#

Web Developer • UC San Diego Triton First

Sep 2024 - Present

- Served as the lead developer for the program's first website, overseeing its design, maintenance, and content management system (CMS) updates.
- Enhanced the user experience and flow of the Triton First website, ensuring it stayed current with events and workshops.

Small Business Owner • G Collectibles LLC

Jan 2024 - Present

- Sourced, marketed, and sold vintage Japanese toys and collectibles
- Managed Instagram, TikTok, Mercari, and eBay to drive engagement and build a loyal customer base
- Managed end-to-end operations, including product photography, marketing, sales and shipping
- Successfully completed and distributed over 500+ sales

Tax Specialist • David Duong Tax Company

March 2022 - Jan 2023

- Prepared monthly and annual tax reports for small businesses and individual clients
- Prepared and managed payrolls for 10+ businesses
- Assisted 100+ clients in preparing tax returns while applying federal state and local codes to ensure tax compliance

Softwares: QuickBooks, Taxright, Intuit
