

Dhruv Sood

+1 (310) 505-5503 | dhruv@sood.me | <https://www.linkedin.com/in/dhruv-sood-450bb8179/>

Work Authorization: United States, European Union

EDUCATION

University of California, San Diego (UCSD) - B.S. in Cognitive Science with a specialization in Machine Learning, Minor: Data Science **September 2024 – Present**

- Coursework: Data Science in Practice, Statistical Analysis, and Neurobiology of Cognition (3.84/4.00 GPA)

WORK EXPERIENCE

Quantitative Analyst, Sustainable Investment Group (SIG) – UCSD **April 2025 – Present**

- Created quantitative models (ARIMA, regression, rolling Sharpe ratio, Monte Carlo simulation) to support a team-based stock pitch on Spotify and evaluate risk, volatility, and projected price trajectories
- Analyzed historical price and benchmark data using Python (pandas, NumPy, matplotlib, scikit-learn, yfinance) to justify a hold recommendation to investor judges

Project Lead | Research Analyst, Eclipse Analytics – UCSD **April 2025 – Present**

- Constructed statistical and machine learning models on NBA play-by-play data to analyze how dribble count affects shot success
- Promoted to Project Lead and now mentor teams of 3–4 analysts on data sourcing, modeling approach, and technical execution

Data Analytics Intern, Linkrunner (<https://linkrunner.io/>), New Delhi - Hybrid **August 2025 – September 2025**

- Analyzed mobile attribution data (~30K clicks, ~4K installs) to evaluate campaign performance across Meta, Google
- Built visual reports identifying high-CVR campaigns and supported scale versus cut decisions for ad expenditure

Venture Capital Intern, OTPless (<https://otpleess.com/>), New Delhi - Hybrid **August 2025 – September 2025**

- Assisted founder in refining investor pitch, financial scenarios (DCF, IRR), and developing competitor frameworks
- Mapped 150+ venture capital firms to support Series A fundraising and created a targeted investor outreach list

Software Intern, Clove Dental (<https://clovedental.in/>), New Delhi - Hybrid **June 2023 – July 2023**

- Tested and enhanced features on the company application using Swift and Xcode
- Supported deployment and maintenance of internal IT systems and delivered projects, including the staff dashboard, user interface (UI) modernization, and the news digest

LEADERSHIP, SERVICE & EXTRACURRICULARS

Member, Tau Kappa Epsilon (TKE) – UCSD **September 2024 – Present**

- Contributed to fraternity-led philanthropy and service initiatives focused on community engagement
- Collaborated with peers on leadership and professional development activities through organized chapter events

Member, UCSD ICPC Competitive Programming Club **January 2025 – April 2025**

- Practiced algorithmic problem-solving through weekly competitive programming sessions and mock contests
- Trained for ICPC-style competitions through collaborative problem-solving on LeetCode and Codeforces, emphasizing efficiency, correctness, and speed

Member, Video Game Development Club – UCSD **January 2025 – April 2025**

- Built game mechanics and gameplay logic by translating design ideas into functional code
- Applied coding and user experience principles (UI/UX) to develop playable game prototypes

Founder, Banana Labs, New Delhi - On site **June 2022 – May 2024**

- Founded a digital literacy initiative and fundraised \$3,800 to launch a computer lab for underserved students in partnership with the [Each One Teach One Foundation](#)
- Designed and taught a six-part coding curriculum and five-part handbook, and delivered 25+ in-person instructional sessions to help the students grasp a basic understanding of technology and its uses

President, Computers Honors Society, American Embassy School, New Delhi **August 2023 – May 2024**

- Led society operations over a two-year term, coordinating meetings, competitions, and member activities
- Organized community events related to coding, such as the Quiz Bowl, Halloween Lottery and Code Quiz
