EDUCATION

University of California, San Diego | GPA: 3.7 | Junior Standing
Bachelor of Science: Data Science

Expected Graduation: June 2028

PROFESSIONAL EXPERIENCE

Tutor | [Kumon](#)

September 2021 - August 2024

San Jose, CA

- Tutored middle and high school students in fundamental math and reading comprehension, adapting instruction to individual learning styles and pacing.
- Collaborated with a team of instructors to identify student challenges and develop strategies for consistent academic progress.
- Tracked and analyzed student performance data to monitor growth and adjust learning plans accordingly.

Transit Employee | [UCSD](#)

April 2025 - September 2025

San Diego, CA

- Safely transported students, staff, and individuals with disabilities across campus while maintaining punctuality and excellent customer service.
- Assisted passengers with accessibility needs, ensuring compliance with UCSD safety and transportation policies.
- Documented and reported incidents, vehicle conditions, and ridership logs — reinforcing accuracy and accountability in data recording.

LEADERSHIP EXPERIENCE + COMMUNITY INVOLVEMENT

Outreach Coordinator | [UNICEF](#)

August 2023 - June 2024

San Jose, CA

- Developed strong interpersonal and communication skills through coordinating outreach efforts and engaging with local community members.
- Collaborated with student leaders from multiple high schools to organize joint fundraisers and awareness campaigns.
- Helped raise over \$5,000 in support of UNICEF's global humanitarian initiatives.

Digital Content Creator |

September 2024 - Present

San Diego, CA

- Produced and edited short-form videos highlighting UCSD student life, campus culture, and academic experiences.
- Created engaging content that reached incoming freshmen and prospective students, fostering community and school spirit.
- Generated engagement across multiple videos, with individual posts receiving 10K–100K+ likes.

Server | [Koja Kitchen](#)

May 2022 - September 2022

San Jose, CA

- Worked collaboratively with team members in a fast-paced restaurant environment to ensure efficient food service and order accuracy.
- Provided friendly and attentive customer service, resolving issues promptly to ensure a positive dining experience.
- Maintained clean and organized dining and service areas while managing multiple tables and tasks simultaneously.
