
Anvitha Balaji

(669) - 264 - 3395
anbalaji@ucsd.edu

EDUCATION

University of California San Diego, CA

September 2025 - June 2029

- DSC 10 (currently taking)

Fremont High School, CA

August 2021 - June 2025

- AP Computer Science A
- AP Statistics
- General Psychology (equivalent PSYCH 1)

SKILLS

Programing:

- Python, R (basic), Java (APCS A)

Research and Analysis:

- Data evaluation, Hypothesis testing, Literature review

TECHNICAL EXPERIENCE

Introductory Data Analysis Project - Iris Flower Classification

- Explored basic supervised learning concepts by predicting the type of iris flower given the sepal length
- Implemented model in R

Java project - Subway Surfers

- Coded subway surfers in java using Applets
- Implemented power ups, lane changing, and managed score

RESEARCH EXPERIENCE

Independent Research - Evaluating Summarization Capabilities of LLMs

- Conducted comparative analysis on common large language models using the ACT passages and other metrics such as ROUGE and BLEU
- Collaborated with others to write and format a research paper using Overleaf (LaTeX)
