EDUCATION

UC SAN DIEGO

Hacıoğlu Data Science Institute - BS, Data Science

Cumulative GPA: 3.245/4.0

Relevant Coursework: Principles of Data Science, Introduction to Data Science, Managing Diverse Teams, Workshop in Data Science, Programming/Data Structures for Data Science, Data Ethics, Data Structures/Algorithms for Data Science, Introduction to Statistical Analysis, Theoretical Foundations of Data Science I/II, Introduction to Probability, Practice and Application of Data Science, Data Science in Practice

San Diego, CA

Expected Jun 2028

BELLAIRE HIGH SCHOOL

International Baccalaureate (IB) Diploma Programme

Cumulative GPA: 4.86/5.00

AP Scholar with Distinction, 10+ AP exams taken

Houston, TX

Aug 2021 - Jun 2024

WORK EXPERIENCE

THE COUNCIL ON RECOVERY | DATA ANALYST INTERN

Jun 2025 - Sept 2025

- Analyzed Customer Relationship Management data reports for a series of fiscal year quarters and built an insight paper on the task for presentation to the director of development for evaluation of fundraising performance.
- Completed an Exploratory Data Analysis project evaluating changes in donors, event attendance trends for customer analysis from speaking events, program changes on Jupyter notebook using pandas, numPy, matplotlib, scipy, and more.
- Used Microsoft power automate workflows to streamline tracking operations of the company's venue management system.

TESTMASTERS PROFESSIONAL TEST PREP | PRIVATE TUTOR

Jun 2024 - Sept 2024

- Conducted weekly one-on-one and small-group tutoring sessions for SAT, PSAT, ACT, and ISEE (Upper Level) math preparation.
- Tutored middle and high school students in Algebra, Linear Functions, Geometry, Trigonometry, Data Analysis, and AP Calculus AB/BC, emphasizing conceptual understanding and advanced problem-solving strategies.
- Provided structured feedback on PSAT, SAT, and ACT advanced math course materials, drawing on direct student interactions to recommend session designs aligned with effective learning behaviors and real-world study patterns.

ALPHAX DECISION SCIENCES | EXPERIENTIAL LEARNING INTERNSHIP

Jun 2023 - Aug 2023

- Configured Jupyter notebook and used Python to program various mathematical computations, including a prime number project and a kickstarter statistics project.
- Presented project to management in Powerpoint format, explaining both the purpose of the computation, tradeoffs of different algorithms and the finding of the final result through a narrative of problem-solving.
- Contributed to revisions of the company's advanced Python Jupyter Notebook course materials and project presentation guidelines, improving clarity, structure, and instructional effectiveness.

ACTIVITIES/CLUBS

- UCSD Circle K International (CKI) Appointed Board Tech Chair (2025 Spring - 2026 Fall): Website development, discord announcements
- UCSD Data Science Student Society (DS3) Online Content Board Writer, Technical Team (2024-2025), Executive Board Workshops Team Member (2025-2026)
- Club Tennis, HDSI Student Council, Association for Computing Machinery, Lighthouse Bible Church
- TIE San Diego student member

SKILLS/INTERESTS

Technical: Data Theory, Data Mining, Informatics, Data Visualizations, Model Building, Applied Math, ML/DL, Crypto/Stocks

Libraries: Numpy, Mathplotlib, SciPy, Pandas, Matplotlib, Scikit-learn

Programming Languages: Python, Javascript, Basic R

Developer Tools: Jupyter Notebook, VS code, Github, Cursor, Terminal, Google Colab

Certification: MS Word, Photoshop, and Indesign Certifications

Sports: Competitive Tennis Player USTA & UTR, Weightlifting, Running

Interests: Piano, Hip Hop Music, Mathematical Art, Human Physiology, Speech and Debate, Philosophy/Psychology, Architecture, Nature

Hobbies: Visiting museums, Chess, Journaling, Volunteering locally, Studying religions, Reading self-improvement books

Languages: English, Basic Hindi & Vietnamese

OTHER

- Yearbook Marketing Staff - 1 yr Marketing & Sales Experience in Ads, Sponsorships, Canva, Digital Marketing
- Certifications: MS Word, Adobe Indesign, Adobe Photoshop
- 2nd Place Team Award - Houston High School Ethics Bowl Competition at Rice University (Feb 2024)
- University of Texas at Austin: UIL Journalism Camp (June 2023), Texas A&M University: Statistics and Data Sciences Camp (June 2023)
- Two time District Spelling Bee Finalist and Regional Finalist with strong phonetic/writing and grammar skills (2016, 2017)
- National Merit: 224/228 (2023-2024), 228/228 (2024-2025), SAT: 1560/1600, ACT: 34/36, Over 26 AP/IB Honors Classes
