EXPERIENCE

Marketing Team

Nov 2025 – Present

Data Science Student Society @ UC San Diego

La Jolla, CA

- Captured and edited high-quality photos and videos at major club events, building a large portfolio of content that strengthened the club's visual identity across digital, social, and promotional channels.
- Edited and produced short-form videos using Premiere Pro that highlighted student life and event energy, helping increase engagement on club social media and draw attention to upcoming events.

Tutor

Feb 2025 – Jun 2025

Schoolhouse

Remote

- Designed adaptive lessons for high-achieving SAT Math students targeting scores above 700, tailoring instruction to individual needs while keeping materials clear, organized, and visually engaging.
- Led interactive virtual group sessions using Khan Academy-aligned curriculum, guiding up to ten students at a time to improve scores and confidence, earning consistently strong feedback.

Teacher

Sep 2022 – Jun 2024

Davis Math Club

Davis, CA

- Developed and taught adaptive lesson plans for 10+ high-achieving students targeting 700+ SAT Math scores; 90% of mentees exceeded the target, and all showed measurable improvement.
- Delivered 20+ tutoring sessions, earning a 90% helpfulness rating and a senior tutor offer.

Lead Photographer

2023 – 2024

Moda Magazine

Davis, CA

- Directed and coordinated 20+ magazine photoshoots, ensuring creative vision and operational excellence for every issue cover and spread.
- Mentored a team of photographers, creating training resources and providing hands-on feedback to maintain consistent editorial quality.

Coaching and Volunteering

2022 – Present (Seasonal)

Dart Swimming

Davis, CA

- Coached young athletes through tailored lesson plans, driving measurable improvements in stroke technique, safety, and confidence across diverse ability levels.

Every Child Plays: Sports Autism Project

- Led inclusive basketball and soccer practices for children with autism, designing adaptive sessions that fostered athletic development, teamwork, and self-esteem.

Special Olympics

- Provided adaptive swim instruction and mentorship for athletes with intellectual and physical disabilities, tailoring activities to foster confidence, teamwork, and personal growth.
